Subject: Notice of File Closure, AG Hold, Associates, Claim 35 Mine, S/041/0013, Sevier County, Utah.

Dear Ms. Lichfield:

The Claim 35 Mine file number S/041/0013, located in Sevier County, Utah, will now be closed and the file retired. The Forest Service has previously closed their file for this project.

On July 21, 2009, the Division sent a letter directing you to post appropriate reclamation surety by August 24, 2009, in order to keep your mine permit valid. To date, we have not received a reclamation surety or indication that a surety was being prepared for this project.

You are hereby released by the Division from further reclamation responsibilities at this site. If you wish to conduct any future mining or exploration related activity in this area, you will need to submit a new Notice of Intention to the Division, receive approval from the Forest Service and any other appropriate agency(ies), and provide reclamation surety prior to creating any disturbance.

If you have any questions or concerns regarding this action, please contact me at (801) 538-5261 or Lynn Kunzler at (801) 538-5310.

Sincerely,

Paul B. Baker
Minerals Program Manager
